

TRANSITION SUPPORT FOR STUDENTS WITH SEND

SUMMER 2018

The SENCo will attend all scheduled transition visits (between 22.05.18 and 22.06.18) of schools who have returned the pre-transition forms and identified students with SEND. SENCo will meet with students and then meet their class teachers to discuss the needs of all students who will be attending Hampton Gardens. The SENCo will also organise meetings with the school's SENCo on the same day, if necessary, to identify students who would benefit from the following packages of support (to be organised ideally before **Move Up Day on 04.07.2018**):

ADDITIONAL SUPPORT DURING THE SUMMER BREAK

For all students on SEN Support and students with an EHCP

Welcome letter, weekly timetable (subject and class teacher), class groupings, email address of Hampton Gardens and blank Pupil Passport (if not completed already) to be posted to the home address of student when available (usually week before end of term).

ADDITIONAL SUPPORT FOR PARENTS

For targeted students on SEN Support and students with an EHCP

SENCo to visit current Primary school (familiar setting) to meet with student and parent (SENCo/TA optional) to create Pupil Passport and discuss Individual Provision Map. If more than one meeting is necessary it would be desirable to book a block afternoon/morning.

OR

Individual student to visit Hampton Gardens with parents (during the school day or after school depending on availability/preference, approx. 1 hr) to create Pupil Passport and discuss Individual Provision Map in Achievement Support (our SEND area).

ADDITIONAL SUPPORT FOR STUDENTS

For targeted students on SEN Support

Arrange pre-Move Up Day visit as a small group (2-5 students) with a Support Staff member from current school to complete a scavenger hunt around the school and a Q&A in Achievement Support (our SEND area).

For all students with an EHCP

Individual student to visit Hampton Gardens with Support Staff member from current school (during school day, approx. 1hr) to complete an interactive transition pack tailored to the individual needs of the student.
